Report details

- **Committee Discussion**

Scholarship applications were received from thirty high school seniors: Ten from Saginaw High, Eight from Bridgeport High, five from Arthur Hill, Five from SASA, and two from Carrollton. The committee discussed which applications would be reviewed based on the criteria for consideration that was included in the application packets. Twenty-three application packets were filled out as required; seven were incomplete (missing income, not signed by counselor and/or parent, no personal statement, and/or did not meet the GPA requirement.

- **Committee Decision**

The committee decided to only review the twenty-three (23) completed application packets.

- The committee decided to request that chapter approve allocated funds from the Lizzie Dillard Robinson Scholarship (\$1000) that may not be awarded **because there were no Sprite applicants**; and, the DST Scholarship (\$500) because the 2018 awardee did not attend college. The reallocated funds would be awarded to two of the 23 applicants who met the requirements for consideration of a 2019 scholarship.

- **Recommendations and next steps**

The committee will meet on April 10th. Additional time prior to April 10th can be arranged for other committee members to review completed scholarship packets. The committee expects to decide regarding the 2019 scholarship recipients at the April 10th committee meeting. The chapter members, recipients and, their respective counselors will be notified.

Award certificates will be presented to each scholarship recipient at their senior recognition program, where possible.
