- **Committee Discussion:**

**Mission In The City-Rev. Craig Tatum/Karen Lawrence-Webster:** Rev. Tatum and Karen Lawrence-Webster is asking the Panhellenic Council to support the Chess Park located at the Rufus Bradley Sr. Mission in the City Park. They are seeking members from each organization to volunteer to teach and play chess with youth at schools, during the African Culture Festival, etc. Volunteers will be needed one day of the week or month, contingent on how the schedule is setup within each organization.

**\*Finance and Budget:** Our 2019-2020 Panhellenic Council membership dues are due.

**\*Political & Social Action:** The next US Census is coming in 2020. The Census is extremely important. A lot of grants depend on population for funding support. It's important to get everyone counted. Terry Pruitt, will serve on the community advisory panel for the upcoming Census. There are employment opportunities for the upcoming Census. The state is accepting applications for the position of redistricting commission. This is a part time position and only 13 commissioners will be accepted. A video encouraging people to participate in the US Census will be out soon! The Census has to be taken online or by phone.

**\*Fundraiser:** Be on the lookout for more information regarding these Panhellenic events: TV raffle, Skate Party, and a New Year's Eve party for 2021.

**\*The Fine Arts Competition (for students in the sixth –twelfth grades)** The theme this year is African Americans & the Vote. It was suggested to incorporate a HBCU tribute or segment into the competition.

**\*Calendar Updates:**

Each organization is asked to submit their calendar of events. If you are apart of another organization (i.e. Links) please send in their events as well. We are trying to compose a calendar to eliminate events being scheduled at the same time.
