Family Love Letter Event Review

On Saturday January 25, 2020 We were blessed to have the medical hospice team which consist of Minister Cory Hamilton and Hospice Administrator Kim Cox of Flint. The team share some interesting facts about Hospice. What is Hospice, Talking about it now is easier when there is no medical crisis, common myths, who pays and where and when you need Hospice.

The guest were attentive and had many questions which were answered to their satisfaction. From the icebreaker to the food was truly a blessing to us all. It was very informative and touching.

I would like to thank Soror Barkley for the ice breaker, Soror Ellison for the questionnaire, Soror Feagin for monitoring the registration table, Soror Lawrence-Webster for assisting me with setting up and organizing the room. Thank you to the Sorors who were in attendance.

Our next event will take place in May, Health topic Diabetes.
