Week of May:

Please Share your thoughts & Suggestions by May 1, 2020.

D-19 Presentation for the Dolls (Please View Below)

STAY HOME, STAY SAFE EXECUTIVE ORDER (EO 2020-21)

Approved by Michigan's Governor Whitmer

To prevent the state's health care system from being overwhelmed, protect our communities and keep all Michiganders safe from experiencing AND spreading the symptoms of Corona Virus.

Required businesses and operations to temporarily suspend in-person operations that are not necessary to sustain or protect life: To save someone from dying, to care for some experiencing corona virus and other health related issues. Workers that helps the community to have the things they need to survive.

Directs Michiganders to stay in their homes unless performing tasks necessary to the health and safety of themselves or their family (Grocery Store, Hospital).

Directs Michiganders to stay in their homes unless they are an essential worker or critical infrastructure workers.

Adhere to social distancing measures: remaining at least six feet from people from outside the individual's household.

Temporarily Prohibited: All public and private gatherings of any number of people occurring among persons outside a single household
