

Kroger Gift Cards for Canstruction®

During January 2020, buy a Kroger gift card to support Canstruction, a charitable event where students design and build artistic structures entirely of canned and boxed food using STEAM (science, technology, engineering, art and math) principles.

Kroger gift cards will be used to purchase food for the structures. All food will be donated to EFPN after the event to feed those in need.

The event is hosted by Midland County Emergency Food Pantry Network (EFPN), Midland Public Schools and Midland Mall to raise awareness of food insecurity in Midland County.

Midland Mall
Build Day: February 21, 2020
Structures on Display February 21-29, 2020
